who holds a personal licence.

Exhibition of Films (s20(2))

Admission of children must be restricted in accordance with any recommendation by the British Board of Film Classification.

Annex 2 - Conditions consistent with the operating schedule

The holder of the premises licence shall be expressly permitted to make alterations to the premises in accordance with Pembrok Design and Management drawing No 1805/81 dated 16/12/05 or any such adjustment to that plan that may be considered necessary during the course of works as may be approved by the Licensing Authority following consultation with the responsible authorities.

Annex 3 - Conditions attached after a Hearing by the Licensing Authority

The licensee shall provide suitable signs at each exit from the building requesting patrons to leave the area quietly.

All external doors/windows must be kept closed after 2300 hours other than for access/egress when events involving amplified music or speech are taking place.

The use of outside areas for all activities shall cease at 2300 hours.

The licensee or a nominated representative shall receive and respond to complaints throughout the duration of all events involving amplified music or speech.

Any power socket outlet and hence the power supply used with any portable appliance being used in connection with the provision of and performance of live music and/or other portable equipment for amplified music brought on to the premises by the provider of entertainment shall be connected via a residual current device (RCD) having a rating not exceeding 30 milli-amps. Should an RCD be considered inappropriate for use with a specific amplification system then the licensing authority must be informed of the reasons for this.
